

Jan 1st, 2025 It is hereby informed that the technical challenges encountered in the e-way bill generation process have been resolved, and the portal is now functioning smoothly. In connection with the technical issues faced earlier, the following facilitation measures have been put in place: Extension of Expired E-Way Bills: As per the existing procedure, e-way bills that expired at midnight on 31st December, 2024, could be extended either within 8 hours prior to the expiry or 8 hours after the expiry.. Due to the technical glitch, this process was disrupted. To mitigate the impact, the window period for extending the e-way bills expiring on 31st December, 2024, has been extended up to 1st January, 2025, midnight. Taxpayers and transporters are advised to utilize the “Extend EWB” facility on the portal to extend these e-way bills, if required.
