Q1 I am a resident of Nashik and wish to get a GST registration for business in Bangalore. Can I get GST Registration in Karnataka on the basis of my documents of Maharashtra? Reply (1): Registration depends upon exceeding prescribed limit of turnover. Once it is exceeded, the application is required to be filed for registration. It is required to be filed in relevant State, to comply the law. There is no speaking provision under CGST/SGST, that a person to obtain registration in particular state, should also have place of business in such State. In other words, registration can be obtained based on address in other State also. In earlier era, like VAT/BST, there used to be category of non- resident category registration and registration was used to be granted on address in other states. The same situation is expected to be followed under GST. However, it is possible that portal may not allow address of other State. Therefore, most.....
