Jul 17th, 2025 The GST System is being continuously enhanced to strengthen data security and improve transparency to the taxpayers. In this effort, the below mentioned enhancement shall be shortly introduced to provide transparency and control to the taxpayers who interact with the GST System using Application Suvidha Providers (ASP). The ASP use GST System authorised API channel partners that are called GST Suvidha Providers (GSP). The role of a GSP is to provide API access between GST System and ASP. 1. Email and SMS notification service to inform taxpayer upon every successful OTP consent access provided by taxpayer to the ASP. The taxpayers authorized signatory shall receive notification via email and/or SMS whenever ASP successfully obtains their consent, by providing OTP from the GST System, to access their data over APIs. The notification would have following details: Name of the ASP and the underlying GSP Date and Time of the ....
