Associate Editor : 1998-99 Editor : 2003-04 Selected Editorial : May 2003 THE GAME After April issue of this journal was out, we tried to relax and have editor's nap. We were perturbed by cross reports about VAT – its implementation, its side effect etc. At the same time we also felt harassed by children enjoying summer vacation and playing games day and night. In spite of these odds, we let loose our sense. Our imagination flied high with some sparks of intuitions and We conceived this editorial. It is a draft sketch of the game we thought of written for public scrutiny and opinion. The basic features are as under. Name of the Game : VAT 2003. Venue : Entire Indian continent, preferably Capital City – New Delhi. Super Coach : The Central Government. Honorary Coach : The Empowerment Committee. Sponsorship : World Bank Collection from the show (if any).....
