In fighting & dealing with our struggles, we often forget to live our lives. Do not live like a corpse, just dragging yourself from one stage of life to another stage of life. Life will pass away & you will realise that you forgot to live. With the covid 19 situation forcing a second lockdown on us, I feel it is time we get creative & pursue a hobby without stepping outside our homes. Right now, we professionals do have the burden to meet any deadlines. We got relieved recently from back-to-back GST audits & time barring MVAT assessments. Therefore, I feel we must utilise some time for our own selves to pursue some hobby within the confines of our house. Our hectic schedules would never have allowed us to do something which we really would have loved to do. State Notification No. 1521/C.R. 1/ Taxation 1 dt 01.04.21.....
