

Parth Badheka

Dear Members, Just like all milestones, they invariably arrive with great anticipation; however, before the blink of an eye, they culminate. In that same spirit, the 50th RRC at Ananta, Pushkar, concluded on 1st February 2026 amidst great memories and significant learnings. For any President and his team, a successful RRC is the most important event of the year. While we navigated many anxious moments before the event, the effort was entirely worth it because everything proceeded smoothly. Our foremost aim was to ensure power-packed academic sessions befitting the grand RRC tradition. We are, therefore, extremely happy that the new session pioneered by GSTPAM, titled Vaad Samvaad (Debate and Dialogue), received a very positive response. We shall be uploading the entire session on YouTube soon. The format requires some tweaking because, like all new in.....
