Registered GST Practitioner Department of Commerce and Industry Government of India has launched Viksit Bharat-2047 idea to aims to transform the country into a developed nation by the year 2047, marking the centenary of its independence. It encompasses economic, social, environmental, and governance dimensions of development, seeking to mobilize collective effort across all sectors and citizens develop Indian economy in 30 trillion\$. A key objective of this vision is to strengthen India's economy by promoting manufacturing, expanding exports, and encouraging entrepreneurship. Programs such as Make in India and Startup India aim to boost industrial development and innovation, while the growth of the MSME sector is expected to generate employment and increase global competitiveness. Exports play a pivotal role in India's economy by driving GDP growth, generating foreign exchange, and creating jobs, especially for MSMEs targeted under visions lik.....
