Dear Esteemed Members, On behalf of GSTPAM, I wish all the members good health, success, peace and prosperity in the new Financial Year commenced from 1st April, 2024. The new year has come with new enthusiasm, new energy, new idea, new goals in profession and personal life . It's time to implement your ideas, plan your schedule, adopt new tech and be best in the profession. Initially now everyone is relaxed in new financial, but I suggest you all the esteemed members of GSTPAM to start planning for your ideas and work schedule in the beginning of the year, so at the end of the year you will get best result for your life and profession. Maharashtra state is the biggest contributor to GST collection at 19.6%, leads per capita consumption spend. Maharashtra state is the top contributor to the GST pool, as per latest data on collections across Indian states, cementing its position as the country's economic powerhouse.....
