Enrollment Fee	:	Rs. 1,950/- (Inclusive of GST) for all participants

Salient Features of the English Coaching Class :

1. The object of the Coaching Class is to train and groom the new entrants or would be entrants in Indirect Tax Practice, particularly in GST in a very professional manner. Our well known seniors not only teach what is written in the books but also share the essence of their professional experience which they have gained over the years. This can be of enormous help and use to the new entrants. Here, the students not only get knowledge but also wisdom by interacting with the seniors.
2. Our expert faculties will provide notes on the respective topics.

3. It has been now more than 6 years of implementation of GST, the classes will help the member and students to solve their doubt.
4. The classes would be conducted, having “**Twenty-Four**” Coaching Sessions. Also, the participants would be given case studies for the practical experience. The “Coaching Class” of our Association is one of the best places where the subject of GST can be learnt in a very professional manner. Our Coaching Classes are so popular that apart from new entrants, many members who are not new, but whose craving for perpetual learning is very strong, enroll every year. You are, therefore, requested to enroll yourself or send your juniors and/or staff members without fail and enroll them at the earliest to avoid disappointment.
