

## INTENSIVE STUDY CIRCLE CIRCULAR FOR THE YEAR 2025-26

### **Intensive Study Circle (ISC) 2025-26 – Join the Knowledge Movement!**

Dear Professional Colleagues,

*In GST, change is the only constant.* With frequent amendments, evolving jurisprudence, and continuous clarifications through Circulars and Notifications, professionals are constantly expected to update, relearn, and adapt. The rapid pace of legislative and procedural changes, coupled with practical implementation challenges, underscores the importance of staying updated and well-informed.

Recognising this need, our Association has been regularly organising **Intensive Study Circle (ISC)** meetings as a platform for members to engage in in-depth discussions on complex and evolving issues under GST. These sessions aim not only to keep members abreast of the latest legal developments but also to provide a space for sharing practical experiences and resolving interpretational challenges.

Each ISC session is led by a **Group Leader** - a member who initiates and steers the discussion on the chosen topic. The deliberation is further enriched under the guidance of a **Senior Professional**, who moderates the discussion and offers insights drawn from years of experience.

Sessions are held **virtually**, usually on **Fridays between 4:30 p.m. to 7:00 p.m.**, making it accessible to members across locations. Around **12 ISC sessions** are planned for the academic year 2025-26.
