**Sub: Representation on various issues for SAMVAAD Grievance Redressal Committee**  
**Meeting scheduled on 05.08.2025**

Respected Sir,

1. At the outset, we would firstly like to thank you on behalf of our members and the tax payers in general for scheduling the Grievance Redressal Committee and allowing us to represent on various issues being faced by the tax payers.
2. Sir, We have compiled a list of issues of consideration in the tabular form as required by your office. We understand that many of the issues may not be solved at this Forum and may have to be taken up with higher forums such as CBIC or GST Council. Nevertheless, the issues outlined remain critical and continue to significantly impact taxpayers across various sectors. If left unaddressed, these challenges could jeopardize the viability of businesses, potentially leading to closures without recourse to any legal remedy.

Sir, we request to please consider the compilation of issues and our suggestion to such issues and forward the same to concerned authorities for taking appropriate action.

Thanking you,

Yours faithfully,

**For The Goods & Services Tax Practitioners' Association of Maharashtra**
